New Resources to Support Patterns of Power by Jeff Anderson and Whitney La Rocca

What better way to show students the power of good writing than to provide models of good writing? Of the more than 150 children's books included in the best-selling Patterns of Power, authors Jeff Anderson and Whitney La Rocca selected the top ten must-have books for each grade level to teach conventions. The Patterns of Power Top 10 Mentor Text Sets (grades 1, 2, 3, 4, and 5) correlate with standards and developmental appropriateness for each grade. Well-crafted and engaging, young writers will turn to them again and again, discovering inspiration and examples of author's purpose, craft, and grammar.
